

Activity Volunteers Needed

Do you have a few hours a month to spare to help a local charity?

Lollipop is a York-based charity that offers social and emotional support to children, young people and their families with any degree of deafness from mild to profound. We offer a wide range of regular FREE activities and experiences that provide our members (aged 0-25) with a deaf peer group to build confidence and self-esteem, develop their self-identity and prepare them for adult life.

Do you like working with young people and making sure events run smoothly?

If you're reliable, can work in a team, show initiative and communicate well with children, young people and families you could help us run and evaluate our activities. We aim to offer something of interest to everyone including arts & crafts, music workshops, pizza-making, bowling, archery and much more! Join our Events Team and help come up with new and exciting ideas to engage our members.

No experience needed as relevant training and supervision will be provided. Knowledge of BSL and/or experience of working with young people with additional needs desirable but not essential. If you are willing to share your time, skills and ideas to help support the local D/deaf community, this could be the perfect volunteer role for you!

To apply, please email info@lollipop.org.uk (subject line 'Activity Volunteer') attaching your CV plus a cover letter stating:

- why you would like to volunteer with Lollipop
- what skills, qualities and experience you could bring to the charity
- contact details including email addresses of two referees

Successful candidates will be required to undertake an enhanced DBS check paid for by Lollipop and attend an induction which includes safe-guarding training and deaf awareness training.
