

0 Programme of Activities 2019: May - July

Lollipop works hard to bring our members improved access to activities. We hope that this schedule will help you and your family plan ahead and avoid missing out. Lollipop shall send invitations via email as normal, 2 - 3 weeks prior to each activity open for the age group of your child/ren who have a hearing loss. **You must always complete the Eventbrite R.S.V.P with each activity invitation in order to attend.** In the meantime, please make a note now of the dates that are of interest to your child/ren to avoid disappointment.
